To Whom It May Concern:

As the Department Director at KUOM, the University of Minnesota's student-run radio station, I am writing in support of the proposed terms of the agreement negotiated by College Broadcasters, Inc. and SoundExchange.

These terms, published in the Federal Register on November 5, 2014, provide a reasonable basis for setting statutory terms and rates. It is in our station's best interest to continue operating under the terms.

Specifically, the ability to pay a fee in lieu of record-keeping reports given the limited amount of resources available.

In summary, it is important to us as a Noncommercial Educational Webcaster to continue operating under these terms.

Sincerely,

Sara L. Miller
